Dear Ms. Gilmore:

The U.S. Army Corps of Engineers (USACE) Fort Worth District is in receipt of your letter dated March 15, 2010, requesting an extension of the comment period for the Draft Environmental Impact Statement (DEIS) for the proposed Lake Columbia Regional Water Supply Reservoir Project. You requested a 21-day extension to the comment period based on the complexity of the project and to complete a thorough, coordinated and comprehensive review of the DEIS.

The USACE appreciates your efforts for a thorough review of the DEIS and will grant a 21-day extension to the comment period. Therefore, please submit your comments to the USACE by April 26, 2010.

If you have any questions or require additional information regarding the DEIS, please contact Mr. Brent Jasper at the above address or by telephone (817) 886-1733.

Sincerely,

Stephen L. Brooks
